

Meena Kasturirangan

Personal Affiliation: Information Technology

Background: I hold a Bachelor's degree in Chemistry and have completed a Post Graduate diploma in Computer Science. My professional journey commenced in the Information Technology sector, where I have assumed diverse roles, beginning with development and progressing through positions such as Business Analyst and Program Management. In addition to my professional pursuits, my inquisitiveness and passion for science have consistently drawn me towards opportunities for both learning and savoring the wonders of the scientific world.

Joined the Board: 2023

Board positions: Treasurer

What attracted you to serve on the board? I was a parent volunteer for SCVSEFA, dedicated to supporting students during the science fair, but I wanted to do more. SCVSEFA plays a pivotal role in nurturing students' enthusiasm and knowledge of science, and my passion has always been to be a part of that. Joining the board presents a unique chance for me to contribute to the advancement of science and the well-being of the students it serves.
