

[Paul Streit](#)

Professional Affiliation: Photographer

Background: Paul Streit is a Tech industry professional with over 40 years of experience in product marketing and product management. His career includes roles at leading technology companies such as Hewlett Packard, Seagate, and Maxtor. Paul earned his MBA from UCLA's Anderson School of Management and holds a BS in Computer Science and Electrical Engineering from Rutgers University. Currently, he has transitioned to a creative pursuit as a professional photographer, specializing in headshot and family photography.

Joined the Board: 2023

Board positions: *Current:* Fundraising, Volunteers

What attracted you to serve on the board? I volunteered as a judge at the Science Fair in 2020 and was so inspired by the amazing students presenting the projects they had put so much passion and energy into. I wanted to spend more of my time helping the next generation of engineers and scientists.
