

## Anjaney Kottapalli

**Professional Affiliation:** Lockheed Martin

**Background:** I am a Remote Sensing Research Science Sr Manager with experience in Aerospace Engineering, Systems Architecture, Modeling & Simulation, Software Systems, High Temperature Materials Testing, Turbomachinery, and Aircraft Design. I completed my undergraduate and Masters studies at MIT, both in Aerospace Engineering. Most importantly, I participated in the Santa Clara Valley Science and Engineering Fair from 2001 through 2007, and was able to attend ISEF in 2006!

**Joined the Board:** 2018

**Board positions:** *Current:* Scientific Review Committee, Judge, Treasurer, Mentor

**What attracted you to serve on the board?** Being able to provide the next generation of Bay Area students the same (or better) opportunities than what I was provided.
