

Renee Fallon

Professional Affiliation: Retired teacher/biotech scientist

Background: Renee Fallon spent approximately 17 years working in biotech, during which she secured 7 patents focused mainly on liposomal and transdermal drug delivery. She then transitioned to teaching and dedicated another 17 years as an AP Biology teacher at a local high school. She strongly believes that research experience is the best way for students to grasp how science operates. To support this belief, she also taught a research class for a number of years. After retiring from teaching, she joined the SCVSEFA board as the Chair of the Scientific Review Committee (SRC).

Joined the Board: 2023

Board positions: *Current:* Scientific Review Committee (SRC) Chair

What attracted you to serve on the board? The opportunity to encourage students to learn science as well as make excellent use of both my teaching and research experience.
