

## **Thank you to the 2023 Sponsors!**

**Access Braille Awards**

**Al Foster Award**

**American Institute of Aeronautics and Astronautics (AIAA) Intelligent Systems Award**

**ASM International, A Society for Materials, Santa Clara Valley Chapter**

**ASM Materials Education Foundation**

**American Vacuum Society, Northern CA**

**Association for Women Geoscientists, San Francisco Bay Area Chapter**

**Association of Women Geoscientists**

**Bessie Stough Awards**

**Broadcom Coding With Commitment**

**Bruce Kawanami Engineering Award**

**California Botanical Society**

**California Science & Engineering Fair**

**Environmental Protection Agency (EPA)**

**Green Ninja**

**IBM Award**

**Inez M. Lechner Award**

**Institute of Electrical and Electronic Engineers (IEEE)**

**Kerry Veenstra Awards**

**The Lemelson Early Inventor Prize**

**NASA Earth System Science Award**

**National Geographic Award**

**National Oceanic and Atmospheric Administration (NOAA)**

**Northern California Institute of Food Technologists (NCIFT)**

**Office of Naval Research - U.S. Navy / U.S. Marine Corps**

**Regeneron Biomedical Science Award**

**Ricoh USA, Inc.**

**Robby Beyers Innovative Solutions Award**

**SAMPE – Society for the Advancement of Material and Process Engineering, Santa Clara Valley Chapter**

**SPV Market Research**

**SVACS American Chemical Society, Silicon Valley Chapter**

**SVACS Dave Parker Award**

**Thermo Fisher Scientific Junior Innovators Challenge**

**U.S. Agency for International Development (USAID)**

**U.S. Stockholm Junior Water Prize**

**United States Air Force**

**Valley Water**

**Wireless Communications Alliance**

**Yale Science and Engineering Association**

**Zeidman Award**
